# Bread for the World

In our world today, one in four children under age five is severely malnourished. But it doesn't have to be that way.

Effective solutions are complex and must include more than charity. For over 45 years, Bread for the World has been a Christian voice urging Congress to adopt policies to end extreme poverty and hunger in the

U.S. and around the world. Our local chapter is an interdenominational group that meets monthly. We worship, study hunger issues, and take some type

of action--- usually letter-writing, but sometimes emails, phone calls, or a group visit to our representative's office. We would love for you to join us.

## How Can You Help?

- Participate in St. John's annual Offering of Letters by writing a letter to your members of Congress about a hunger issue.
- Join the local chapter, which meets the 3<sup>rd</sup> Tuesday of each month at 1:30 at St. John's.
- Join Bread for the World and support it financially. To learn more, go to [www.bread.org](http://www.bread.org).
