

# Faith in Action

Many senior citizens struggle to live independently, and their family caregivers may be stressed with children and full-time jobs, limiting their ability to help. Faith in Action provides assistance to senior citizens in the Edwardsville area. Our services include:

- Running errands
- Grocery shopping
- Transportation to medical appointments
- Respite relief for family caregivers

We have flexible schedules for those interested in lending a helping hand to our elderly neighbors.

## How Can You Help?

- We need more “Driving Angels” to be available for transporting seniors and running errands.
- We also need monetary donations to cover gas and administrative costs.
